**2. Statement of Financial Eligibility**

**(1) Criteria for paying expenses**

The criteria for the amount of money to be certified with certificates of bank deposit or certificates of scholarship when applying to the Graduate School of Economics, Letters, and International Peace Studies admission is living expenses and tuition for one year (**approximately 100,000 yen per month for 12 month**). If you are applying for **the Scholarship for International Graduate Students** at the same time, you may apply for the admission even if the amount of money proved by the certificates is less than the criteria amount. However, when applying for Certificate of Eligibility (COE) to obtain a student visa or Extension of Period of Stay, the Ministry of Justice (Immigration Services Agency) will conduct an examination regarding your ability to pay expenses necessary for your stay in Japan. Please note that if the examination result in denial of COE or denial of extension of period of stay, you will not be allowed to enrol in Soka university.

**(2) Person who can be your financial sponsor**

A financial sponsor is a person who is responsible for paying for the applicant's tuition and living expenses while at the university. Generally, a parent or family member with a certain amount of income or savings (regardless of country of residence) may become a financial sponsor. If the applicant has sufficient savings to cover the cost of study in Japan, he/she can be the sponsor. In addition, more than one person can be an expense sponsor.

If you are unable to designate a family member as your financial sponsor, you may designate a friend or acquaintance only when unavoidable circumstances apply. In such cases, please submit a signed statement from the sponsor explaining the circumstances and confirming their responsibility. Please note that a friend or acquaintance who provides funds as a loan with the expectation of repayment is not eligible to serve as a financial sponsor. If a friend or acquaintance is your primary sponsor, visa screening may be more stringent.

**(3) How to prepare "Statement of Financial Eligibility"**

Please attach documents to support your financial expenses according to the following guidelines when submitting the statement of financial eligibility form at the time of application. If there are multiple financial sponsor(s) or if the applicant is applying for scholarship, the total amount of all bank statements and scholarship benefits (annual amount) must be more than the criteria amount (if applying for scholarship, less than the criteria amount is acceptable).

1. If the applicant him/herself will pay expenses
  - A bank account statement in the applicant's own name
  
2. If a person other than the applicant will pay expenses (including residents in Japan)
  - Agreement to pay expenses (signed by the financial sponsor on the designated form)
  - A bank account statement in the name of the financial sponsor
  - Documentary proof of employment
  - Documentary proof of annual income
  - Document verifying relationship with applicant (e.g., a copy of the family register, a certificate of residence, a notarized statement of kinship, etc.)
  
3. If a scholarship will be used to pay (not including the Soka University Makiguchi Memorial Educational Foundation Scholarship for International Students)
  - Documentary proof of scholarship payment specifying the amount to be paid, the period of payment, and the organization paying  
(The allowance shown amount to approximately JPY 1,850,000 per year in total).  
\*Living Expenses (JPY100,000 × 12 months) + Tuition (JPY650,000) = JPY1,850,000
