Types of dormitories

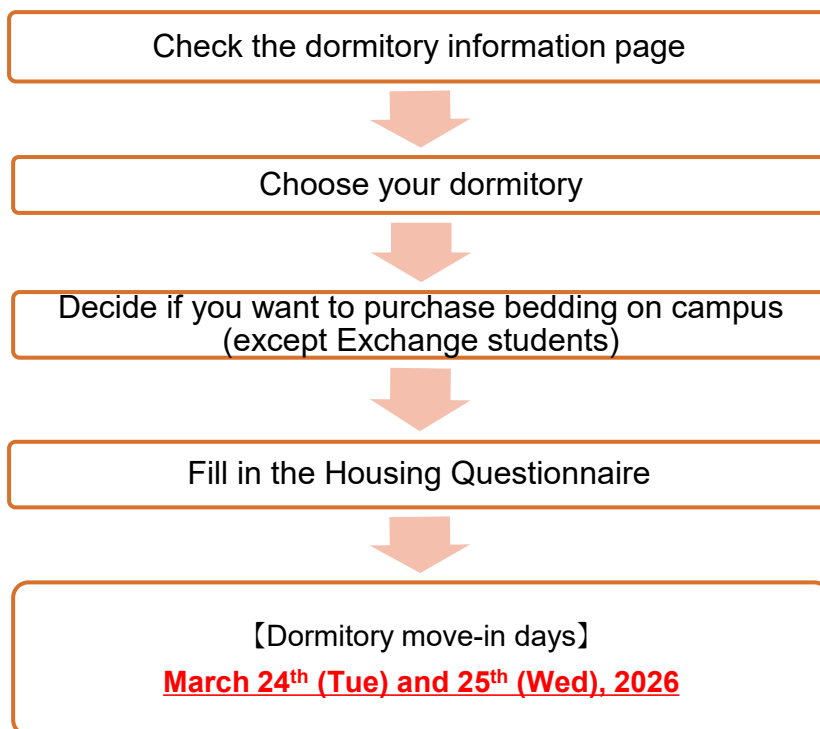

Soka University has seven dormitories for international students. These dormitories focus on creating a proper environment for students to develop cooperation and autonomy skills while living together with students from all parts of Japan and the world. Although it might be difficult to adapt into an environment with diverse cultures, habits and different opinions, the students will be able to cooperate and create deep bonds of friendship by the time of dormitory graduation!

Please access the webpage below to find the information on each dormitory.

Purchasing bedding

※We will lend bedding to Exchange students. There is no need to purchase the bedding.

～You can order bedding (thin mattress, blanket, and pillow) in advance.～

If you prefer to be picked up from Soka University at the airport, the earliest you can expect to arrive at dormitories are 3:00 PM. Also, even the nearest bedding store from the dormitories take more than 30 minutes to walk one way. Therefore, it may be difficult to purchase bedding on the same day after arriving at dormitories. In addition, the dormitories do not provide mattresses or bedding for rent, so you will need to prepare your own bedding by the night of your arrival. If you have no relatives in Japan, etc., and are NOT able to prepare your own bedding by the day you enter the dormitory, we highly recommend ordering at this time.

Bedding	3 pieces (thin mattress, blanket, and pillow) ※Please purchase sheets and covers by yourself after your arrival. ※The beds in the dormitory are Japanese style, so you may find them hard. The futon mattress available here may not be the mattresses you imagine, so if you want additional mattress, please get one after your arrival.

○ Dormitory facilities

Information on dormitories: <https://www.soka.ac.jp/en/campuslife/dormitory/>

○ Sending packages to dormitories

■ If you plan to send luggage to the dormitory, make sure to have them arrive **after** the day of your dormitory entrance. You cannot send packages to the dormitory prior to the move-in day.

■ You can check the above page for the addresses of the dormitory.

○ Others

■ Shower hours are fixed for each dormitory.

■ Washing and drying machines are coin-operated and shared.

■ No wired phone service is available in the dormitories. We recommend bringing your own phone or sign up for one after you arrive in Japan. (You will be responsible for your own contract.)

■ You can use the university's wireless LAN service to access the internet in the dormitories. However, security is strictly enforced due to the university's connection, and some pages may be inaccessible.

■ No one can enter a dormitory without taking off your shoes at an entrance. If you do not have your slippers, it is very inconvenient. Thus, we strongly recommend bringing your slippers in your backpack when you enter your dormitories, so you can take them out as soon as you reach there.

■ The dormitory doesn't provide shampoo, conditioner, or any other amenities.

We suggest bringing your own so you can settle in as soon as you arrive.

■ Japanese electrical outlets are Type A, 100V.

Please bring a conversion adapter if necessary.

Guidelines for Dormitory Students

International Affairs Office

* The guidelines may be subject to change.

- ② When return to dormitory from outside and/or before eating, students wash their hands with soap and gargle.
- ③ In case students get infected with COVID or other infectious diseases, students are required to stay in their rooms and refrain from going out and attending classes. If the fever or the symptoms of cold persist, students must stay in the dormitory first aid room or the first aid building (separate building) under the supervision of the Health Center.

(2) Behavior in the dormitory

- ① If the student has to break the dormitory rules (such as returning to the dormitory after curfew or unable to follow cleaning time, etc) due to part-time job, the student will be required to quit it. To avoid complicated situations, please consult in advance before starting the part-time job.
- ② Refrain from participating in large gathering when you are feeling unwell.

(3) Others

- ① Students are not allowed to move out between dormitories.
- ② Students are not allowed to move out from your dormitories in the middle of the expected period.
- ③ Curfew: Male dormitories: 24:00 / Female dormitories: 23:00

■ Smoking is only allowed outside the dormitory building or in the designated “smoking area”.

(Soshun Dormitory does not have a smoking area therefore smoking is prohibited)

■ Please check your dormitory rules regarding drinking alcohol.

STEP 3

Filling in the Arrival Questionnaire

The due date is
February 15th, Sunday, 2026
Please submit your answers early!

★ Free shuttle bus (airport pick-up service)

Pick-up service by our staff is available. Newly admitted students requesting pick-up service within the dates displayed below must arrive either in Narita or Haneda airport on the dates written below. Soka University will provide direct buses (free) leaving from both airports to the campus, therefore please try to arrange a flight that arrives early enough to take the bus.

【Airport pick-up days】 March 24th (Tues) and 25th (Wed), 2026

When submitting your Arrival Information, please check the bus departure time table and indicate which bus you would like to take. It takes about 1.5 to 2 hours from the plane landing to the meeting point inside the airport, including immigration procedure and luggage claim lines. Thus, please choose a bus that departs at least one and half hours after your arrival in Japan. Please note that in case your flight is delayed, you may not be able to take the desired bus.

● Direct Buses to the University

The gathering time to take the direct bus and meeting point location are available below. Please do not be late. Soka University staff will be there to assist you to the direct bus. Please note that the bus time may vary according to traffic conditions.

※Only newly admitted students are allowed to take the direct bus. Relatives and others must provide their own transportation from the airport.

The buses are designated from airports to Soka University (each dormitory). If you are arranging your apartment on your own and would like to take the direct bus to Soka University, please prepare own means of transportation to your apartment.

● Entering the Dormitory

Entrance to the dormitory will be on March 24th (Tues) and 25th (Wed). If you are arriving prior to this date, you must provide accommodation (hotel, hostel, etc.) by yourself. If you are coming to the dormitories on your own, please arrive between 12 p.m and 9 p.m. You need to pay all the expenses on your own.

● Booking of your Flight

In case your Japanese student visa is delayed, your arrival to Japan will have to be postponed. Before booking a flight ticket, please check carefully any fares related to changes, etc. Furthermore, in case you have a connecting flight in a different country, a transit visa might be necessary, therefore, please check all the requirements beforehand.

If you wish to use the shuttle bus, please make sure to arrive on time for the bus's departure and book your flight. We recommend arriving on the first day of the pick-up, if possible. If you arrive late on the first day, please take the bus on the following day. We recommend booking a hotel and taking the first bus on the following day. If you are coming on your own, we do not recommend it, as it will require frequent transit by train. Please note that if you arrive late on the second day, there will be no shuttle bus and you will have to make your own way.

●“Permission to Engage in Other Activities” at the Immigration Inspection

Those holding a “Student” visa willing to engage in part-time job or volunteer and other activities must apply for obtaining a permission called “Permission to Engage in an Activity Other Than That Permitted by the Status of Residence Previously Granted”. We recommend that you apply for the permit during your immigration inspection upon arriving at the airport since you can receive the permit on site. If the permission is granted, your Residence Card will be stamped as below:
